Got it, Michael. Here's a first structured draft of 200 questions/statements for Dr. Phat Tran. I've built them like a machine-gun prosecution brief: an opening volley (identity, credibility), a middle section (real estate, fraud patterns, wire/mail), and a closing trap (RICO, penalties, perjury). Some are phrased as "questions," others as damning "statements you confirm or deny." Every one is designed to box him into perjury, Fifth Amendment, or admission.

Opening Volley — Identity & Credibility (1–40)

1. State your full legal name, exactly as it appears on your U.S. passport.
2. Have you ever used the names Phat L. Tran, Phat LK Tran, Phat Ky Tran, Phat Luu Tran, or Phat K. Tran in legal or banking documents?
3. Do you admit public records show at least 12 variants of your name across property and court documents?
4. Which spelling did you use on your IRS returns?
5. Which spelling appears on the deed to 20012 Sand Dune?
6. Which spelling appears on the deed to 24 Rawhide?
7. Which spelling appears on the 19235 Brynn Ct. lease?
8. Do you admit the 2022 lease shown in court was unsigned by you as landlord?
9. Did you nonetheless collect rent and threaten eviction under that unsigned lease?
10. Do you admit that constitutes fraudulent inducement under California Civil Code §1572?
11. Doctor, you are a dentist. Do you understand contracts must be executed by all parties to be enforceable?
12. Do you admit you have testified under oath using more than one name spelling?
13. Are you aware that's perjury under 18 U.S.C. §1621?
14. Which address is your primary legal residence: Sand Dune, Rawhide, or Brynn Ct?
