I've been asked to get the hbpd case number for when I came in physically July 3rd and dropped off my sworn charges I wish to press. Over the multiple times we've been in contact with you I have not known that I should have that number on hand.

I now have been requested to get that from you. Please send that to me as soon as you have a chance as it is needed now.

As you are aware the case continues to develop. updates or available at the portal daily please make sure the district attorney the FBI in the Postal Inspector can get into the evidence portal thank you again for your time and help.

Dr Tran sold 24 Rawhide for close to 4 million this month.
