CONCLUSION: NOTICE OF PROSECUTION & INTENT TO REFER

This document now memorializes **100 charges** — spanning fraud, perjury, mail and wire violations, forgery, extortion, retaliation, ADA obstruction, and racketeering — backed by statute, precedent, timeline, and evidentiary logs.

These are not allegations. These are legally defined acts, each capable of triggering civil, state, or federal prosecution.

✓ **Pattern Established**

- Multiple actors coordinated under the color of Berkshire Hathaway branding
- Recurring instruments: bank routing, deceptive lease tools, eviction filings
- Chronology reveals motive: conceal payments, eject tenant, extract rent, relist at higher value

✓ **Public Harm Involved**

- Elderly resident ejected without notice
- ADA protections bypassed
- State courts and police obstructed through false narrative
- Financial, emotional, and health consequences inflicted over a 12-month span

✓ **Federal Jurisdiction Triggered**

- Mail Fraud (18 U.S.C. § 1341)
- Wire Fraud (18 U.S.C. § 1343)
- Bank Instrument Concealment (18 U.S.C. § 1344)
- RICO (18 U.S.C. § 1962)

FINAL STATEMENT

If this conduct occurred once, it might be called a mistake.

If it happened twice, it might be an oversight.

But when 100 separate acts of fraud, deception, coercion, and concealment are documented across months and across agencies — you are no longer dealing with a landlord.

You are dealing with an **enterprise**.

Justice is not optional. It is overdue.
